

Air unit

Modularize Rectangular Base - External dimensions

CHELIC

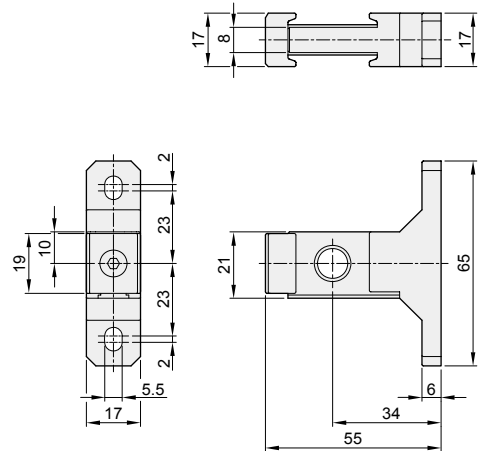

► N-10D Modularize type

Suitable for N100 series

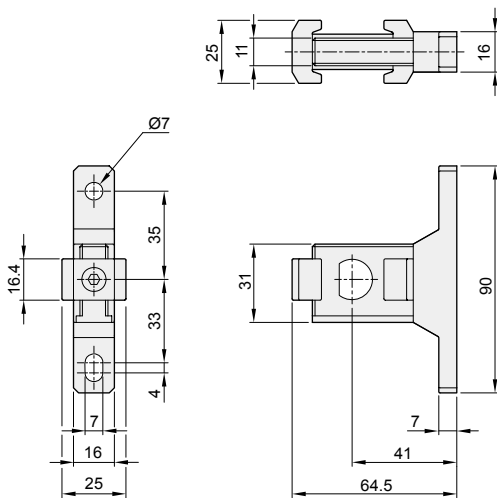

► N-20D Modularize type

Suitable for N200 series

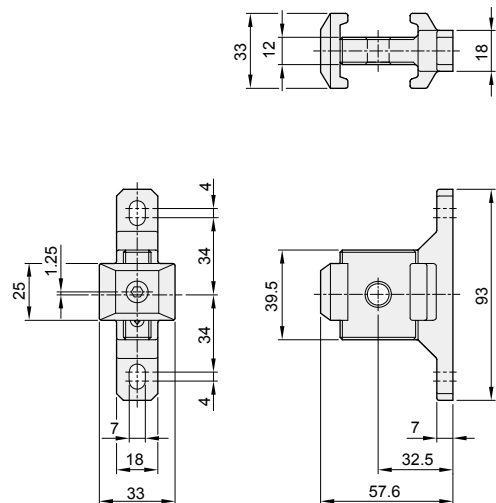

► N-30D Modularize type

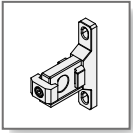

Suitable for N300 series

► N-40D Modularize type

Suitable for N400 series

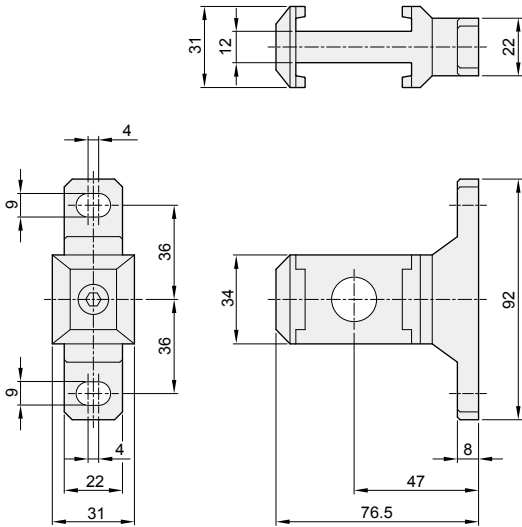

Air unit

Modularize Rectangular Base - External dimensions

CHELIC

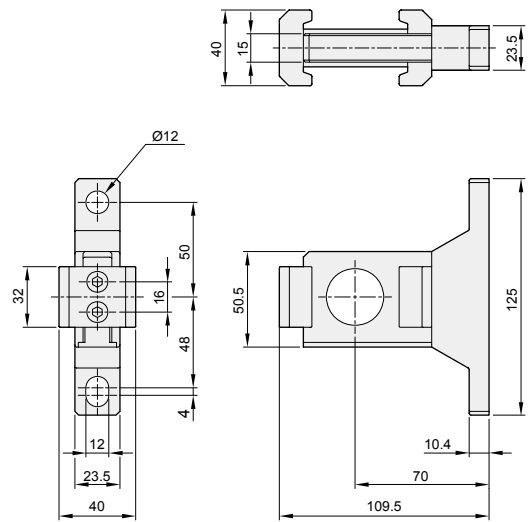

► N-45D Modularize type

Suitable for N450 series

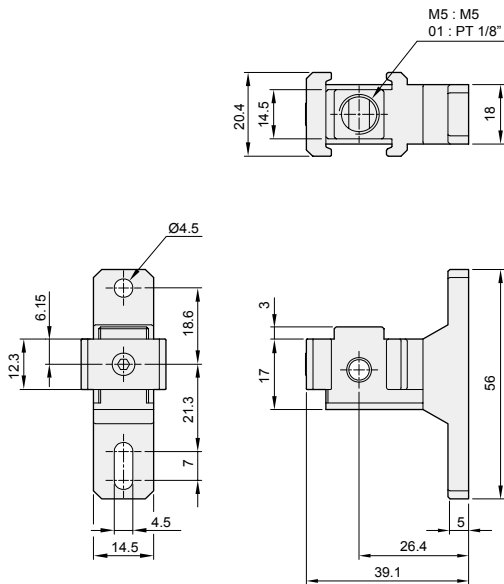

► N-50D Modularize type

Suitable for N500 series

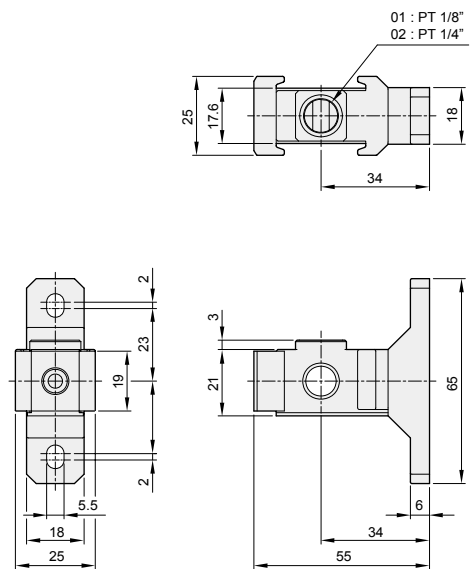

► N-10DT Modularize type

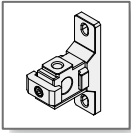

Suitable for N100 series

► N-20DT Modularize type

Suitable for N200 series

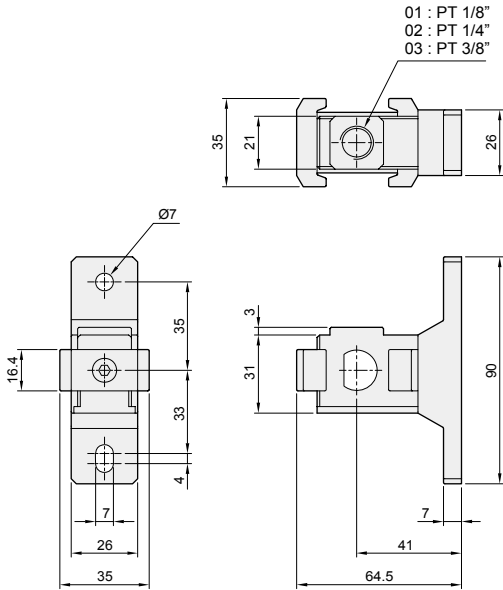

Air unit

Modularize Rectangular Base - External dimensions

CHELIC

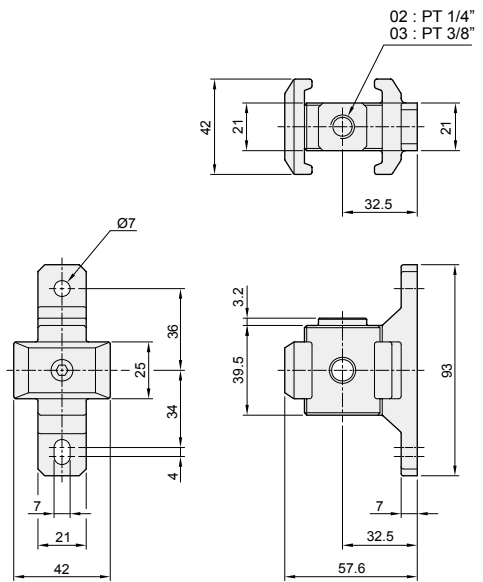

► N-30DT Modularize type

Suitable for N300 series

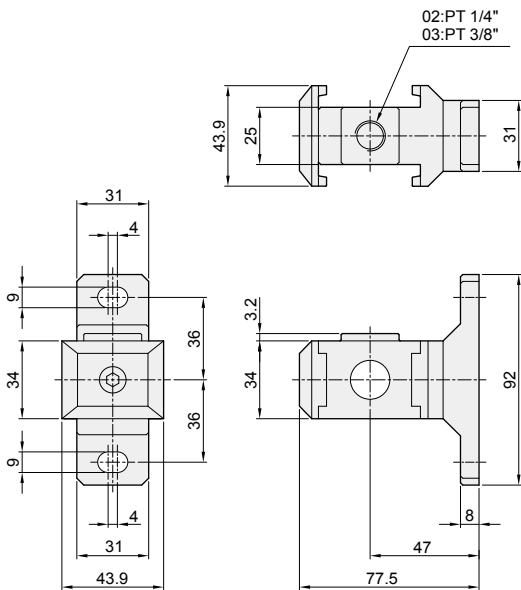

► N-40DT Modularize type

Suitable for N400 series

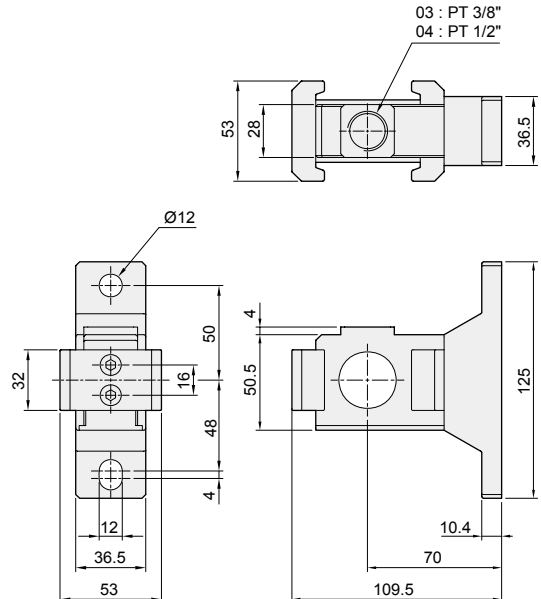

► N-45DT Modularize type

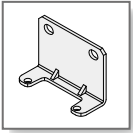

Suitable for N450 series

► N-50DT Modularize type

Suitable for N500 series

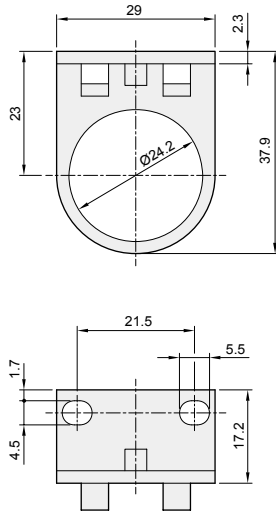

Air unit

L type Bracket - External dimensions

CHELIC

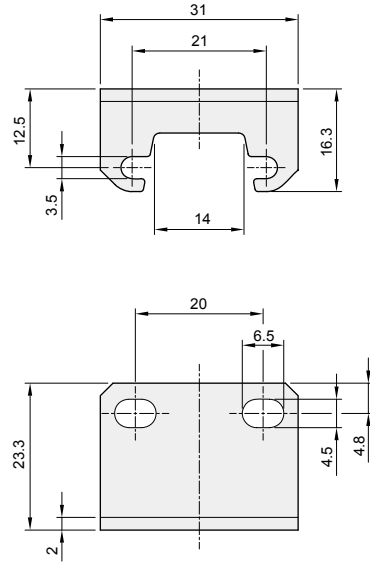

● N-10B Modularize type

Suitable for NR100,NFR100 series

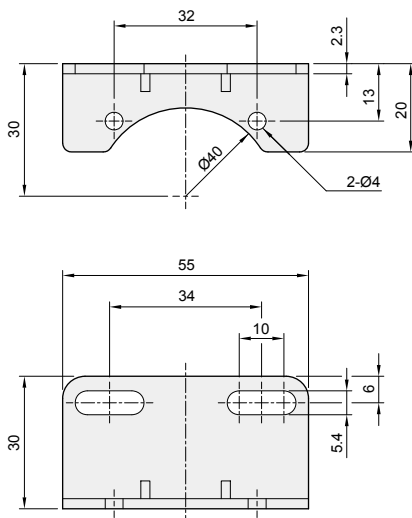

● N-10C Modularize type

Suitable for NF100,NL100 series

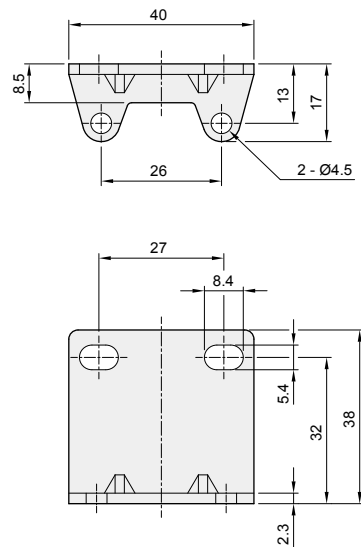

● N-20B Modularize type

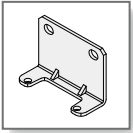

Suitable for NR200,NFR200 series

● N-20C Modularize type

Suitable for NF200,NL200 series

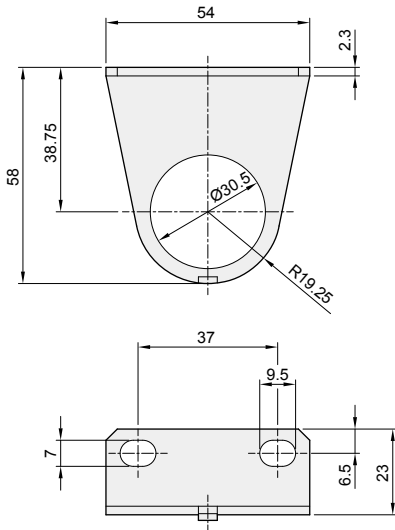

Air unit

L type Bracket - External dimensions

CHELIC

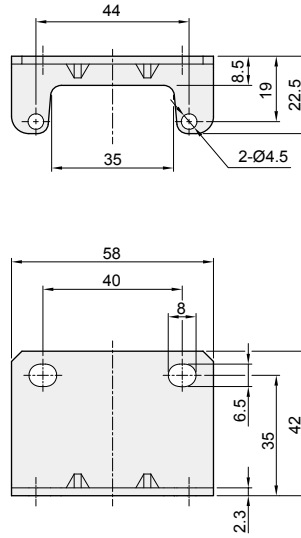

◉ N-30B Modularize type

Suitable for NR300 series

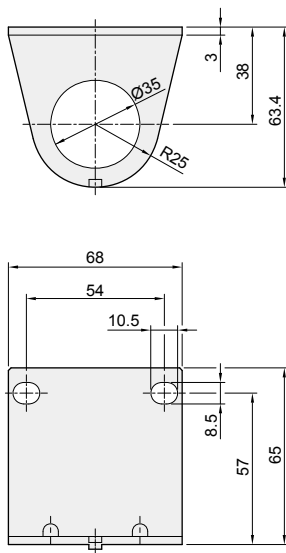

◉ N-30C Modularize type

Suitable for NF300,NL300,NFR300 series

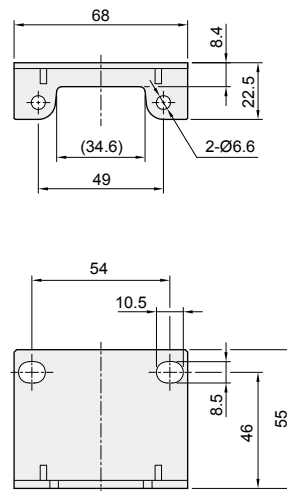

◉ N-40B Modularize type

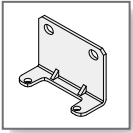

Suitable for NR400 series

◉ N-40C Modularize type

Suitable for NF400,NL400,NFR400 series

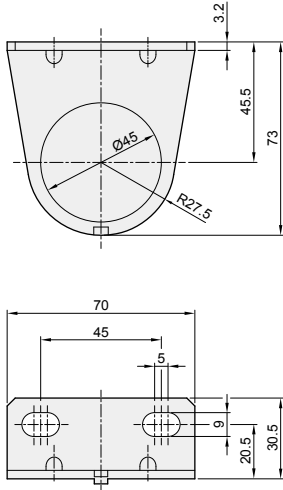

Air unit

L type Bracket - External dimensions

CHELIC

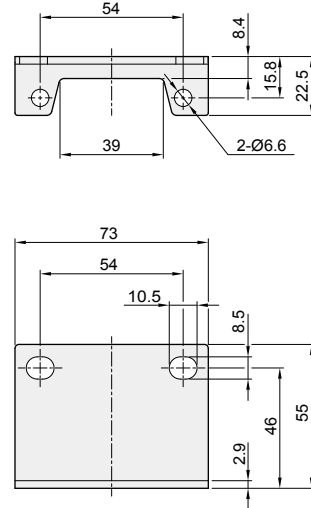

● N-45B Modularize type

Suitable for NR450 series (Share with M-60B)

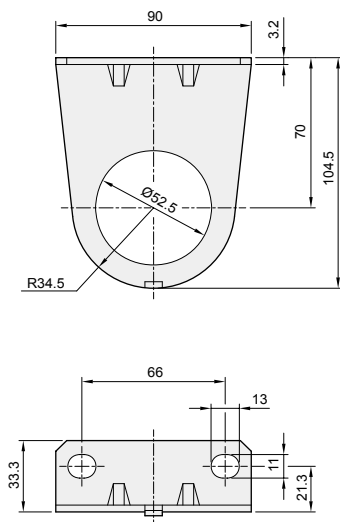

● N-45C Modularize type

Suitable for NF450, NL450, NFR450 series

● N-50B Modularize type

Suitable for NR500 series

● N-50C Modularize type

Suitable for NF500, NL500, NFR500 series
